The program is designed to train future officers and engineers.

FAQs

WHAT IS THE DIFFERENCE BETWEEN IMEC SCHOLARSHIP EXAM AND MAAP ADMISSIONS TEST?

FAQs

The IMEC exam is a scholarship examination required for acceptance by IMEC.

The MAAP admission test is a school-regulated exam mandated by CHED.

You need to **take and pass both exams** to become an IMEC cadet. There is no specific order for taking the exams; simply follow the approved schedule.

The MAAP exam is conducted face-to-face, and they usually visit various provinces to administer the examination.

To learn more about the MAAP exam, you can visit their Facebook page: MAAP BOARD OF ADMISSION

<https://www.facebook.com/groups/maapboardofadmission/>

HOW TO TAKE THE SCHOLARSHIP EXAMINATION?

FAQs

The scholarship examination is accessible **ONLY ON THE DAY OF YOUR APPROVED SCHEDULE.**

To take the exam, you will be required to use a **LAPTOP** or **DESKTOP** computer with the latest version of Mozilla Firefox or Google Chrome. Please ensure that the device you are using has a webcam. If your device does not meet the minimum system requirements, you will not be able to take the assessment.

I ALREADY REGISTERED BUT I DID NOT RECEIVE ANY EMAIL, WHAT SHOULD I DO?

FAQs

Kindly double check the **SPAM & JUNK** folders on your email. Since these are system generated email, there is a high likelihood that your email server would treat it as spam/junk.

Another option is to click the “Resend Code” link as shown below. You will be receiving another email from the information system containing your login credentials.

REMINDER:

Please ensure that you meet all the stipulated requirements before applying for our scholarship program. IMEC reserves the right to disqualify applicants who do not meet these requirements and will not be held liable for any inconveniences incurred during the process.
